Many English Dept classes are held in Building D, as well.

Shibuya Campus

The front entrance, on Aoyama Dori (Route 246), has Building 14—also called the Soken Building—on the right.

Goucher Memorial Hall (Building 15) hosts the English Dept Office/Library, 9F. Interviews are held in one of the rooms at the English Dept Office/Library. You will see a reception desk immediately in front of you when you enter. Just tell the secretary or receptionist who you are, and have a seat near the magazines. Feel free to browse around the library while waiting to be called for the interview.
